

Duct Fan

Slogan: We deliver fresh air.

Name: Duct fan

Construction:

PP

Features:

- Pollution-free material
- Energy saving
- Safety protection
- Low noise
- Strong wind power

Application: metallurgy, petroleum, chemical industry, gas station, residential, workshop

Voltage: 220V/50HZ

Power : 35W, 75W, 130W

Speed : 2600r/h

Air flow : 540m/h

Air pressure : 300pa

Noise : 38bd

Net weight : 606g

Volume : 32*22.5*22.5
